A BALL IN OREGON - HOW IT WOUND UP. -At a recent tall at Roseburg, Oregon, all went on in peace and quie: ss until Colonel Solver, John Fitzhugh, Bab. Forbes, John Hannan and Abe Crow came there, it is said. to break up the ball. When they entered the ball-room they had a few words, when George tone by return main together with desired in-Bennet struck Col. Solver in the face with a formation. revolver. Beranger then stept up to them for the purpose, it is said, of stopping the fuss, when John Fitzhugh drew a deringer and shot New York him through the head, after which he never spoke. Ash Clayton, who was fiddling at the time then drew a knite and stabbed Sol. Colver in the small of the back, under the right shoulder. Abe Crow then rushed in and shot Clayton through the thigh, and another ball struck him on the forehead, the ball not entering the skull, but glancing over it under the skin and passing out at the back of the head. Crow then drew his knife and struck Clayton across the head, inflicting a terrible wound. Firzhugh, after shooting Beranger, rushed on Tom Thompson, when the latter shot him twice. Hannan then struck Thompson, when the latter shot him in the stomach, the ball passing through him. Bob. Forbes then rushed into the fight, when Thompson shot him down also, the ball entering the right side, ranging back, striking the back bone and breaking his back, then glanced to the right, going down the hip. After the shooting was all over Bob. Woodruff went into the melee, when some man struck him over the head with a revolver and laid him out for dead. Sy Smith also came in flourishing a revolver, when Fitzhugh, who was thought to be dead, or at least dying, raised himself and with his bowieknife stabbed Sy Smith inflicting a dangerous wound. Out of the eleven men who engaged in the fight, nine lay dead or mortally wounded

on the ball-room floor. (!!)

STEENBOCK & Co., AFTER CLAFFLIN & Co. -LAID AT \$250,000.-It was stated a few weeks ago that Messrs. Clafflin & Co., of New York, had caused an attachment to be levied on the entire stock of goods of Messrs. J. Steenbock & Co., of Richmond, for a debt of \$48,000, and that the Sergeant of the city had taken possession of the store, and closed it. It was also stated that Messrs. Steenbock & Co., claimed that no good ground existed for the proceeding, and that they would take steps to recover damages for the heavy loss inflicted upon them. It seems that they have done so. The Dispatch says: "To secure a fund out of which to indemnify themselves for the outrage which they claim has been perpetrated on their rights and interests, Messrs. Steenbock & Co., by their counsel, Messrs. Nance & Williams and Judge Crump, have instituted suit for the amount of \$250,000 damages, and have caused garnishee attachments to be served on about two hundred merchants in Richmond, Petersburg, Norfolk, Danville, Lynchburg, Staunton, Charlottesville, Alexandria, and Fredericksburg, many of whom are known to be, and all of whom are supposed to be, indebted to Clafflin & Co., for goods purchased of them. These attachments were served in ceived and for sale by Richmond on Friday, and in the other cities on Saturday last; and quite a seusation was created in business circles. The tables are now turned, and commercial men will look with great interest to the trial of these cases. The first case will be tried by Judge Lyons, and the last by Judge Meredith.

The widow of Bishop Polk is teaching school in Tennessee.

STROLOGY. THE WORLD ASTONISHED

At the wonderful revelations made by the Great Astrologist, MADAME H. A. PERRIGO.

She reveals secrets no mortal ever knew. She restores to happiness those who, from doleful events, catastrophes, crosses in love, loss of relations and friends, loss of money, &c., have become despondent. She brings together those long separated, gives information concerning absent friends or lovers, restores lost or stolen property, tells you the business you are best qualified to pursne, and in what you will be most successful, causes speedy marriages and tells you the very day you will marry, gives you the name, likeness and characteristics of the person. She reads your very thoughts, and by her almost supernatural powers unveils the dark and hidden mysteries of the future. From the stars we see in the firmament-the mal- fic stars that overcome or predominate in the configuration-from the aspects and positions of the planets and the fixed stars in the heavens at the time of birth, she deduces the future destiny of man. Fail not to consult the greatest Astrologist on earth. It costs you but a trifle, and you may never again have so favorable an opportunity. Consultation fee, with likeness and all desired information, \$1. Parties living at a distance can consult the Madame by mail with equal safety and satisfaction to themselves, as it in person. A full and explicit chart, written out, with all inquiries answered and likeness enclosed, sent by mail on receipt of price above mentioned. The strictest secreey will be maintained, and all correspondence returned or destroyed. References of the highest order furpished those desiring them. Write plainly the 11 17.tf day of the month and year in which you were

born, enclosing a small lock of hair. Address, ap 10-1y MADAME H. A. PERRIGO, P. O. Drawer 293, Buffalo, N. Y.

MEDICAL REPARATOR CAPILLI.

Throw away your false fr zzes, your switches Come aged, come youthful, come ugly and fair,
And rejoice in your own luxuriant hair.
REPARATOR CAPILLI,

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon ba'd heads in from two to three months A few ignorant practitioners have asserted that there is nothing that will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living wit-nesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certa nly is difficult, as nine-tenths of the different preparations advertised for the hair and beard are entirely worthless, and you may have alfoady thrown away large amounts in the purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep t, send us \$1, and we will forward it, postpaid, together with & receipt for the money, which will be returned you on application, providing entire satisfaction
